MAINTENANCE MEMBERSHIP

Peace of mind, worry-free coverage.

Maintaining your home can be stressful. As a Comfort Club member, you can trust that you're in good hands. Regular maintenance keeps your systems operating at peak efficiency, reduces issues, and maximizes their lifespan. A Comfort Club membership is the smart, hassle-free way to stay on top of system maintenance while saving money.

Included in all plans:

- **\$500 credit** towards the installation of a new HVAC system or generator ⁵
- **15% Discount** on service work
- **Exclusive** member scheduling
- Emergency service **24-hour guarantee** ⁴
- **No dispatch fee** when work is performed ⁷

WHOLE HOME

\$599 / ANNUALLY **\$49⁹⁹** / MONTHLY

Peace of mind with complete home coverage. Our most comprehensive membership helps keep your home running efficiently year-round while delivering exclusive savings and priority service.

Includes:

- **Whole Home** Coverage ²
- **Up to four** pre-scheduled **maintenance visits** per year ³
- **Optional Add-On:** 24/7 remote equipment **Smart Monitoring** by **ComfortAI** ⁶

SINGLE SYSTEM

\$228 / ANNUALLY **\$19** / MONTHLY

Targeted care for the system that matters most. Designed for homeowners who want professional maintenance on one specific system without whole-home coverage.

Includes:

- **One scheduled maintenance** visit for a single system ⁹
- **Optional Add-On:** 24/7 remote equipment **Smart Monitoring** by **ComfortAI** ⁶

SMART MONITORING

with  **ComfortAI**

\$168 / ANNUALLY **\$14** / MONTHLY

Smart oversight without routine maintenance visits. Get real-time visibility into your system's performance. Our team monitors your equipment and responds when alerts indicate an issue.

Includes:

- **24/7** remote equipment monitoring by **ComfortAI** ⁶
- **Alerts and notifications** when system issues are detected ⁸

DISCLAIMERS

- 1 McAllister retains the right to determine what constitutes as an emergency -- typically defined as a condition that immediately endangers the health and safety of occupants; interferes with the healthcare support of occupants; or a system malfunction that causes damage to the home.
- 2 Whole Home coverage includes four (4) pieces of equipment. For five (5) or more pieces of equipment, a \$10 add-on applies for each additional piece of equipment.
- 3 Due to high seasonal volume, HVAC visits will be scheduled as such: one (1) during February, March, or April, and one (1) during August, September, or October. Anything scheduled outside of this window may incur a dispatch fee.
- 4 Additional parts, filters, and accessories are not included. Charges may apply.
- 5 Must be a current member to utilize \$500 credit.
- 6 Available only on qualifying equipment. ComfortAI monitoring and diagnostic device requires an active internet or data connection.
- 7 Full terms & conditions are available at McService.com.
- 8 Service visits scheduled when system issues are detected.
- 9 HVAC has selected equipment while plumbing and electric are stand alone, single, one-time visit.
